FeedingNY's Direct Impact

"The Gratitude Basket that my child brought home today is such a blessing! We hadn't started to prepare yet because times have been hard, and we were trying to figure out creative ways to put a meal together since the resources just weren't there. That is—until my child walked through the door with that basket. Your kindness made a difference. It changed a moment, a day, our dinner table, and our family's heart. Thank you! THANK YOU!" - A FHS parent
